

For Sale – Great Harbour TT35 Hull #7

Contact – George Fontana unclegkw@yahoo.com

Price - US \$299,000

Next Chapter is a Great Harbour TT35 Hull #7 - splashed Dec. 24, 2018 - now offered for sale by the owners due to health issues. LOADED WITH MANY EXTRAS. It is fitted with a solar array that provides off-grid power for lighting, refrigeration and more while away from the dock. A thousand-plus mile range expands cruising horizons, while shallow draft and ease of transport opens new waterways and possibilities. Next Chapter epitomizes the design philosophy of the TT35. It combines the operational simplicity, economies and liberating possibilities of a trailerable, outboard-powered cruiser with a range of creature comforts typical of a live-aboard vessel, including air conditioning, a full-featured galley with electric induction cooktop and convection oven a large head with composting toilet and dry shower, custom-built storage shelving, custom cockpit canvas, custom cockpit teak table, and a true queen-sized berth in a forward stateroom. Also outfitted with a Atkins & Hoyle dinghy crane. West Marine RU-250 inflatable dingy with oars/floor slats and 3.5 HP Torqeedo 1003 electric outboard.
